

## Advertising Opportunity Fall 2009

The Rock Lake Band Booster Association presents an outstanding, cost-effective, way to reach out to the local community while showing your support for our band program!

Utilizing our exciting website and e-mail blasts, we can provide your business with the reach you desire at an unbelievable of cost!

Here's how we make it a no-brainer...for just \$20:

- Your business will receive a business card-sized ad (with a link to your business) on our Links, Forms and Sponsors page up through November!
- You will be featured in our e-mail blasts to families and friends of the Rock Lake Band Boosters. We will feature you a minimum of 5 times and can even change your message.
- If needed, we can assist with the creation of a basic ad.

Our Rock Lake community is very appreciative of all of our supporters...you're not just an advertiser; you're a part of our family! To start the ball rolling, contact Mike Kazazis at [admin@rocklakeband.org](mailto:admin@rocklakeband.org).
