

**Lake Brantley Middle School Night
September 18, 2009**

Information for students, parents and chaperones:

- Ms. Berry's Motto: "To be on time is to be late"
- Be at the Football Field @ 5:20pm (If possible, be there earlier. Students and chaperones will sign in upon arriving.)
- After students rehearse with the Brantley Band, they will be taken to the Community Room (this is located across from the band room)
- Students will be served refreshments in the Community Room around 6pm
- Students must be ready to go no later than 6:20pm... we will go outside and wait for instructions on how to line the students up (Ms. Berry will tell Middle School Band Directors)...We will not know this in advance because of weather concerns, numbers, etc.
- Students will need to visit the restrooms before 6:20pm.
- Students and Chaperones might want to have a CLEAR COLORED PONCHO with them in case of rain. They can be purchased for \$1 at most stores... Clear Ponchos Only
- NO FOOD or SODA ALLOWED in the stands
- A water bottle will be given to students after they enter the stands for the first time.
- Students are ordering their food and drink for 3rd quarter break. A table will be set up for the chaperones to give students their food and drink.
- 3rd Quarter Break is after Half Time Show. It lasts the entire 3rd Quarter.....at least 20 minutes. Students will be allowed to go to the bathroom without a chaperone. LB BAND CHAPERONES WILL BE LINED UP TO/FROM THE BATHROOMS AND WILL BE ADVISED TO WATCH OUR MIDDLE SCHOOLERS.
- Students are allowed to go straight to bathroom and back. THEY ARE NOT ALLOWED TO VISIT CONCESSION OR FAMILY/FRIENDS AT THE FENCE.....SOMETIMES family meets students briefly by the bathroom. THE students should know their time is limited and want to hurry and visit bathroom so they have plenty of time to eat.
- All personal items will be locked in the Community Room and available for pickup AFTER the game. Students will march with the band back to the Community Room. Students and Chaperones will go directly to the CR to get their belongings.
- ALL STUDENTS WILL SEE MS. SUE THORNTON TO SIGN OUT (with their parent) BEFORE LEAVING. I MUST KNOW WHEN STUDENTS HAVE LEFT. PARENTS NEED TO PICK STUDENTS UP IN THE COMMUNITY ROOM.

Chaperones:

- Go to the Lake Brantley Band website at www.patriotband.org under chaperones and you can read what the chaperone's responsibilities are for LB Band.
- Chaperones will have LB name tags. Seating will be available at the small bleacher section next to the band. Chaperones are not allowed to bring younger siblings. The chaperones must stay with the band at all times.
- If Chaperones want to order their food, let me know ASAP. I need to give orders and money to the Concession Chairperson at LB.
- One of our chaperones will be at the bathrooms until our students leave. The other chaperones will be at the food table to distribute the food and drinks to students. Ms. Couch will assign duties and I will let you know where you should be at this time.
