Pickup Time: 10:00pm
Pickup Location: LMHS Bus Loop

Each year the Eighth grade band students from Rock Lake Band are invited to participate with the Lake Mary High School Band during a home game. This is a wonderful opportunity for middle school students to get to know and perform with the LMHS Marching Rams. Rock Lake students will be amongst the Lake Mary Band from the time they "march out" to the time they "march in". The students will also perform on the field during halftime. Please have your student there on time as this will be the only time they will have to rehearse with the Lake Mary Band.

What to Bring: Instrument, MS Band Night music (YOU are responsible for getting your instrument to and from Lake Mary)

What not to bring: MP3 players, jewelry, etc. Cell phones are permitted but should be in silent mode or turned off during the game.

What to wear: Long blue jeans (no shorts or capris), closed toed shoes (sneakers, bando shoes, etc.) and their maroon Rock Lake shirt from beginning band. If you do not have one anymore or yours does not fit, please wear a solid white or red shirt (Lake Mary's school colors).

Students from both Lake Mary and Rock Lake will have a break during the 3rd quarter. At this time, they may go to the concession stand to buy food. At the beginning of the 4th quarter the break is over and no food or drink can be brought back to the stands (this is a Lake Mary Band rule).

Please note that all participating students are admitted to the game for free. Parents and other family and friends are welcome, but they will need to pay the admission fee.

Arrival/Pickup Safety Policy:

Upon arrival all students must check in with Tina Robinson, who will be in charge of the Rock Lake students for the evening. In addition, all parents MUST SIGN OUT at the end of the game with Mrs. Robinson to be sure that every child leaves safely.

Please Note: Ms. Couch will not be present at the middle school night at Lake Mary due to the fact that she will need to be at Lyman High School, where the majority of our students will be.
